

REMARKS

The present Preliminary Amendment is submitted to delete the multiple dependencies of claims 4-10, 14-21, 24, 26-27, 32 and 34-41, cancel original claim 22 and add new claims 42-54, thereby placing such claims in condition for examination and reducing the required PTO filing fee.

Also, the specification has been amended primarily to make a number of editorial changes in the English translation of the International Application.

Respectfully submitted,

Tadashi MARUTA et al.
